

Chemical Laboratory of Harvard College.

Cambridge, Mass., U. S. A.,

Octo. 27 1891.

Dear Mr. Watson -

Will you not write me  
a few words about Maximowicz -  
Our new volume (26) is nearly ready  
and I should be glad of a short-  
notice within three or four weeks.

Please also consider who  
should be nominated in place of  
the two deceased botanists Nageli  
and Maximowicz -

Very truly

Josiah P. Cooke
